

Web Store Help

Signing In

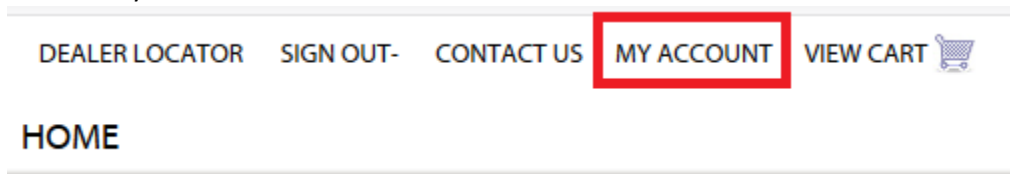

- Click the DEALER LOGIN- button on the upper right of the screen at www.inoxproducts.com

- Sign in with your email address and the password assigned to you by INOX

A screenshot of the 'Dealer Login' form. It has a title 'Dealer Login' and two input fields: '*Email Address' with the placeholder 'youraddress@email.com' and '*Password' with a masked password of ten dots. Below the password field is a link that says 'Click here if you've forgotten your password'. At the bottom of the form is a 'Log In' button.

- Click on My Account

From here you can:

- Update your password or email
- Set Preferences for Language, Fonts
- See your orders and estimates, print a statement
- Contact our Support team, or check on current Support cases
- Manage your subscriptions to various INOX updates and notifications

Maneuvering through the Web Store

- From the drop-down list under PRODUCTS, you can select the family of products you're seeking (e.g., Tubular Leversets or Exit Devices) and then navigate to find exactly what you're looking for. The filters on the left side of each product group will help you determine the correct product/part number and pricing by function, finish, backset, etc.

Settings

- Set Preferences
- Campaign Subscription Center
- Change Email
- Change Password

Checking Out

- When you're ready to check out, click VIEW CART on the upper right of the screen
- Adjust the quantity if necessary, select your shipping method, and enter a coupon code or gift certificate, if any
- You can save your order as an estimate, continue shopping, or proceed to checkout
- If you proceed to checkout, you'll find a screen where you can update your address or shipping method, input your payment information or request an invoice, and review and submit your order. You'll also have another chance to enter a gift certificate

Help

- If you need help, use the CONTACT US button on the bottom of your screen or call 916.388.1888.
